

# NonlinearSolver

```
graph BT; Bisection --> NonlinearSolver
```

A diagram illustrating the relationship between two mathematical solvers. At the top, a rectangular box contains the text "NonlinearSolver". Below it, another rectangular box contains the text "Bisection". A vertical arrow points from the top of the "Bisection" box to the bottom of the "NonlinearSolver" box, indicating that Bisection is a component or method used within the NonlinearSolver.

## Bisection
